

# Do You Have Any Homework Tonight?

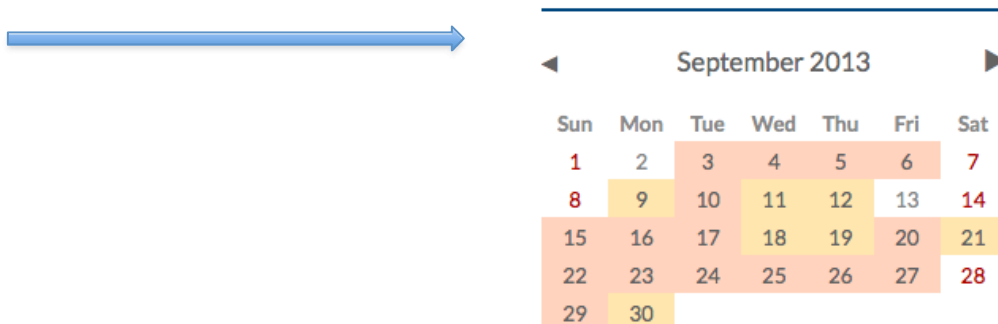

Is this a question you ask your child at the end of each school day? Did you know that our teachers add your child's homework assignments to their iCal app each week? Did you also know that you can add this calendar to your electronic device to view at a moment's notice? If this is something that you would like to do, please follow the steps below.

## Instructions For Adding Your Child's Homework To Your Calendar

- Sign on to [www.learn.vcs.net](http://www.learn.vcs.net) using your child's Warriorlife username and password.

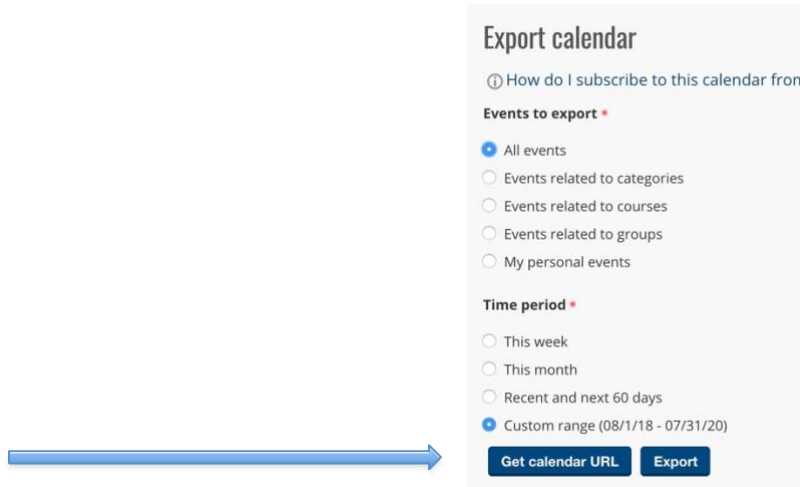

- Click on the month name (i.e. "September") above the calendar.

- Scroll to the bottom of that page, and click on "Export calendar."

- Click on “All Events” and “Custom Range (8/1/18-7/31/20)” – then “Get calendar URL.”

- Copy the link that will look something like this, copy starting with “http:” Do not copy the Calendar URL

Calendar URL: [http://learn.vcs.net/calendar/export\\_execute.php?userid=53&authortoken=102851587t59873239u54e79579797957preset\\_what=all&present\\_time=custom](http://learn.vcs.net/calendar/export_execute.php?userid=53&authortoken=102851587t59873239u54e79579797957preset_what=all&present_time=custom)

- Open “Settings” on your iPad or iPhone (You may also use this link on other platforms.)

- Click on “Mail, Contacts, Calendars”
- Click on “Add Account”
- Scroll to the bottom of the list and choose – “Other”

□ **Scroll to the bottom of that list and choose --- “Add Subscribed Calendar”**

□ **In the box labeled, “server” --- paste the URL that was copied from learn.vcs.net.**

**It should look something like this:**

[http://learn.vcs.net/courses/calendar/export\\_execute.php?userid=2289&authtoken=d2041b7c1e2275645727b76fbffacb134badec0&preset\\_what=all&preset\\_time=recentupcoming](http://learn.vcs.net/courses/calendar/export_execute.php?userid=2289&authtoken=d2041b7c1e2275645727b76fbffacb134badec0&preset_what=all&preset_time=recentupcoming)

*(Make sure that there are no spaces before or after the address.)*

□ **Erase what is contained in the Description Box and type in a title that makes sense to you. Example: “Daniel’s Homework”**

□ **Click on “Save”**

**You may now view your child’s homework assignments on your iCal. You may turn these assignments on and off by clicking on “Calendars” and turning that particular calendar on or off.**
