ENGLISH COURSES

Four years of English are required to graduate from VCHS. The honors classes are intended for students who are highly skilled and motivated in English and who possess a strong work ethic. Advanced Placement (AP) classes allow students to take a college-level course in a supportive environment; students should expect corresponding rigor and time required.

This map is a general planning tool, intended to show the course and typical student tracks. Students may deviate from the map and should consult with the counselors and teachers to find the best classes to meet their academic and spiritual goals. Courses offered may vary year to year.
