MATHEMATICS

Students will start at a variety of different levels based on previous completed math courses.

* Statistics, and Trig/Pre Calc can be taken in any order. Trig/Pre Calc must be taken before Calculus.

MATHEMATICS COURSES

Three years of mathematics are required to graduate from VCHS. Students should be able to reach Algebra II in order to be college eligible. VCHS highly recommends four years of mathematics to compete in the college market.

This map is a general planning tool, intended to show the course and typical student tracks. Students may deviate from the map and should consult with the counselors and teachers to find the best classes to meet their academic and spiritual goals. Courses offered may vary year to year.
