### ELECTIVES

If your student does not see the Electives dropdown menu, return to the Core course menu to finish selecting Core classes

## CHECK FOR COMPLETION

If you have selected a full schedule for the 2023-24 school year, the entire vertical bar on the main menu will turn green. If your bar shows any red, it either means you need to add or remove courses to complete your course selection.

**Courses must be selected between Friday, April 28<sup>th</sup> and Friday, May 5<sup>th</sup>.**

## SELECT ALTERNATES

After you have selected your first choices, please select two alternate courses in case a scheduling conflict occurs that prevents VCHS from placing you in your first-choice course

## SELECT COURSES WISELY

VCHS builds a master schedule based on student requests. This enables us to fulfill the maximum number of course requests and provide students with highly customized schedules. However, it also means that there may not be seats available in an alternate course after the school year begins. Please make decisions about course load, schedule rigor, and challenge thoughtfully.
