

THANK YOU for such a wonderful week of auditions! While we know that not every student can get exactly what they had hoped for, remember that EVERY role is important to the show. Please note that all casting decisions are final. Should re-casting be necessary (due to illness or other extraneous circumstances) Miss Ava and Mrs. Elliott will make that decision.

We are so excited and immensely grateful for the opportunity to help your children grow their unique talents and giftings this semester. See you soon!
