

# Winnie the Pooh

## Makeup Instructions

***Please Note:*** Please come to shows on Friday and Saturday (May 16 & 17) with makeup already done. **We will have a photographer taking pictures at our Thursday Dress rehearsal. We will add blush and lip color for that day only; you will not need to do their makeup.**

For shows, you will need:

**Foundation** (please match child's skin tone - if in doubt go one shade darker rather than lighter.)

**Translucent face powder** (make sure this is not tinted) Here is a link for a good inexpensive powder you can find at Ulta: [Link](#)

**Blush** (should be in warm, rosy tones, not cool purple or pink)

**Lip color** (please match child's lip color as closely as possible. We do not want the lips to look too "made-up" or "grown up". Again, if in doubt, go with a warmer tone rather than a cool tone.)

Girls only: you may use **eyeliner** and/or **mascara** if desired. Black or brown, depending on your haircolor. Please no heavy eyeliner.

Boys do not need eye makeup.

## **Instructions:**

1. Start with a clean, dry face. Apply foundation over the whole face in an even layer. Use a brush or sponge to blend in. You do not need to apply to neck, just face and under chin.
2. Using a brush, pat a light layer of translucent powder over entire face. Use a patting motion rather than brushing to ensure the powder sticks well.
3. Using a brush or sponge, apply blush to the top of the cheek bones, spreading backwards toward the hair. Blend in well. Make sure the blush can be seen - stage lights tend to wash out faces!
4. Apply a lipcolor to the lips in an even layer. Make sure to have child blot their lips on a tissue or paper towel.
5. If desired, apply eyeliner and/or mascara on girls. This does not need to be heavy, a light coat is fine.
6. Put lip color and blush, along with applicator, in a baggie with child's name on it, and send with child on Friday night and Saturday night for the shows.
